Affiliate Program

«Affiliate program»

Our company allocated 2,000,000 tokens as special reserve for support the «Affiliate program». Due to this program we offer a remuneration after registration with referral link. To get tokens as bonus, share a referral link with your friend, whose you want to sign in the system. You get additional 5% on your account from the amount of tokens, which your registered partner will buy.

Bonus accrual is made only manually after previous check-out by site administration.

The project take place by the time of existence fund for support the «Affiliate program». After run fund reserves out bonuses will not be accrued.
